

So you're interested in becoming a Green & Clean Distributor?

You have visited our website at www.greenandcleandirect.com and have seen the exciting line up of products we offer. You have also made the decision to inquire further into how you can be involved in the fastest growing sector of the economy. Green & Clean Energy Co. has travelled the globe researching, developing and acquiring the most technologically advanced, environmentally sustainable products with the best returns on investment available today and we would like to share this opportunity to join our growing team of Green and Clean product dealers.

Green & Clean has now completed Phase 1 of its Business Plan. Developing the greatest product line on the planet. Global demand for Green & Clean Energy's products and services is rising at an incredible rate every day. Phase 2 now involves the scaling up of production, marketing and distribution of these exciting products and services.

Green & Clean is not a risky start-up. Over 2 years of careful development is now behind us. in-demand products, market research, Intellectual Property, assets, inventory, human resources along with tangible & exciting opportunities are a part of our present...not just the future!

Product Reseller – Send us a description of your company with your intentions to become a dealer and we will start you as a Tier 3 discount reseller. Let us know what product lines you are interested in selling, and we will give you access to our pricing and your discount levels. A first time minimum order of \$1000.00 is required.

Non-exclusive Authorized Distributor – With a minimum commitment of \$10,000.00 in product we will assign you non-exclusive distributor status. You must also be willing to travel to our Guelph, ON office or Vancouver BC office at your expense for information and training, which we believe is essential to your success. Discount levels will be set at Tier 3 and may be increased on a performance basis. You will also be listed as a dealer on our website which receives a extremely high volume of hits with a link to your webpage.

Exclusive Authorized Distributor – Distributors seeking an exclusive territory will be evaluated on a case-by-case basis. Your level of commitment will be proportional to the potential of the territory you are proposing to represent as a Green and Clean authorized distributor. We absolutely look forward to your call to discuss your proposal!
